

INNER WEST PHOTOGRAPHIC SOCIETY

Members Annual 2015

Inner West
Photographic Society

Message from the President

Welcome to the inaugural IWPS Members Annual. This e-book showcases the wonderful diverse talent of our members and celebrates our skills and talent as we continue to develop as practitioners and artists in this craft.

IWPS comprises a small but passionate group of photographers. The club's aim is to continually develop our members' photographic skills in an environment of fun, mutual respect and support. The club caters for all skill levels and our activities are intended to be the vehicle to challenge and extend all our members abilities.

2015 was a very successful year. During the year we:

- held 20 meetings, divided between learning and judged sessions
- had seven outings to various locations around Sydney
- held our third annual weekend away - heading west to Bathurst this time
- staged our first public exhibition for a few years - and first ever as a professional gallery to my knowledge
- increased our presence in social media
- participated in interclub competitions

A big thanks to all the club members for their contribution and enthusiasm.

Looking ahead to 2016 our biggest challenge without doubt will be adjusting to our new accommodation. Due to the extensive renovation programme being undertaken at Wests Ashfield Leagues Club they can no longer host us. Fortunately, we have been able to secure use of the Malvern Hill Uniting Church Hall in Croydon.

I hope you enjoy the images created by our members in this Annual. You can get more information on the club and its members at:

PRESIDENT

Club Meetings

When: 1st and 3rd Wednesday of the month between February and November (inclusive)

Where: Malvern Hill Uniting Church Hall,
Corner Malvern Av and Murray St, Croydon

Competitions

IWPS uses two internal competitions to encourage participation and recognise excellence within the club.

The annual Category Winners are decided by the total number of competition points received by each member in that category over the year.

The Top Shot of the Year is a separate competition night in November where all images that had been awarded a Merit during the year are eligible for entry. A qualified judge then determines which image, in each category, they feel is the Top Shot of the Year.
